

Senior Developer - Melbourne

Nintex is the world's leading SharePoint workflow company, with over 3000 customers in 90 countries serviced by a global network of high quality partners and service providers. Nintex delivers innovative software and cloud services that empower organizations to automate business processes, quickly and easily.

We are seeking a Senior Developer who is passionate about technology and excited by the challenge of working on leading edge products sold globally. Reporting to the Product Team Manager and working with a professional multidisciplinary product development team, you will have the opportunity to develop new releases of the existing Nintex suite of products and be involved in design and development of new innovative technologies. Being a senior member of our team, you will have the opportunity to mentor and develop junior developers and assist in their career development with Nintex.

Your responsibilities will include:

- Contributing to the development of high quality products
- Participating in the design and development of Nintex products and product features
- Contributing actively to daily SCRUM meetings
- Mentoring and developing team members
- Contributing to the success of Nintex!

You will come to us with:

- Illustrated relevant development experience, ideally in a similar product development environment
- Demonstrated development skills with C#, ASP.NET, JavaScript, HTML, CSS, SQL
- Experience with Silverlight, VS TFS, .Net 3.5
- Exposure to Design Patterns & TDD
- In-depth technical knowledge of Microsoft products and technologies, including SharePoint is highly desirable
- Agile development experience
- Fast learner with a willingness to learn new technologies
- Strong problem solving skills
- A passion for technology
- A team focus

We offer:

- A great place to work
- An awesome team of people to work with
- Personal and Career development
- A company that genuinely cares about you
- Flexibility to work in the way that brings out the best in you
- The ability to do what you love, in an environment that supports you
- Mobile phone and home internet allowances
- Training, support, coaching and development

Our commitment to you is to give you opportunities to help you take your career to the next level!

If this sounds like you, please apply by sending your resume and cover letter to hireme@nintex.com
